

All-Star Labradors!

First-Grade Newsletter

April 2019 Issue

What's Happening in Reading?

During April we will start our "Character Clubs," where students will identify main and secondary characters and what they do, the relationships among them, what they say and how they act.

What's Going on in Writing?

April will be a fun month, where we will be learning about poetry, the rule breaker of all things written. We will also revisit writing small moments and expand them with sensory words.

What About Math?

We will continue with 2 dimensional geometry and will practice more addition and subtraction word problems.

...and Science?

We will learn about land and water, rocks and soils.

Important Dates!

April 9 and 10: STAAR testing for 3,4 and 5th grades. No visitors during lunch hour for any grade level.

April 13: Multicultural Festival

April 19: School holiday, no classes

High Frequency Words to Review with your Child:

again	book	four	just	our	soon	very	who
all	boy	from	know	over	thank	walk	work
an	brown	girl	man	please	their	was	your
any	by	give	must	pretty	them	way	
as	call	going	new	put	there	well	
ask	came	had	of	ran	three	went	
ate	color	has	old	saw	tree	were	
bed	could	her	once	say	two	when	
been	eat	him	only	so	under	which	
black	every	into	open	some	use	white	

Please review the red folder daily, sign and return to school.

Please make sure your child is reading every evening (they have been provided with books to read at home). Please make sure they bring back those books daily! Thank you. 😊

Conference Time: 12:45 – 1:30 pm

¡Labradores Puras Estrellas!

Boletín de Primer Grado

Ejemplar de abril de 2019

¿Qué sucede en Lectura?

Durante abril iniciaremos nuestros “Clubes de Personajes”, donde los estudiantes identificarán los personajes principales y secundarios y lo que hacen, las relaciones entre los mismos, lo que dicen y cómo actúan.

¿Qué pasa en Escritura?

Abril será un mes divertido, donde aprenderemos sobre poesía, el género que rompe las reglas de todo lo escrito. También repasaremos la escritura de momentos breves y los haremos más largos añadiendo palabras sensoriales.

¿Y en Matemáticas?

Vamos a continuar con geometría de 2 dimensiones y vamos a practicar más problemas razonados de sumas y restas.

...¿Y en Ciencias?

Vamos a aprender sobre la tierra y el agua, rocas y suelos.

¡Fecha Importante!

9 y 10 de abril: Exámenes STAAR para 3^{er}, 4^{to} y 5^{to} grado. No se permitirán visitantes a la hora de comida para ningún grado.

13 de abril: Festival Multicultural.

19 de abril: Asueto escolar, no hay clases.

Palabras de Uso Frecuente para Estudiar con su Niño

again	book	four	just	our	soon	very	who
all	boy	from	know	over	thank	walk	work
an	brown	girl	man	please	their	was	your
any	by	give	must	pretty	them	way	
as	call	going	new	put	there	well	
ask	came	had	of	ran	three	went	
ate	color	has	old	saw	tree	were	
bed	could	her	once	say	two	when	
been	eat	him	only	so	under	which	
black	every	into	open	some	use	white	

Por favor repase el folder rojo a diario, firmelo y regréselo a la escuela.

Por favor asegúrese de que su niño lea cada tarde (les hemos proporcionado libros para leer en casa). Por favor asegúrese de que traiga los libros de vuelta a diario. ¡Gracias! 😊
