

All-Star Labradors!

First-Grade Newsletter

May 2019 Issue

What's Happening in Reading?

During May we will continue with our "Character Clubs," where students will identify main and secondary characters and what they do, the relationships among them, what they say and how they act. Later, we will start the unit "Readers Have Favorite Authors."

What's Going on in Writing?

We will get back to revisit writing Small Moments, following the whole process for writing, from filling out the graphic organizer, to create our draft, then revising and editing to make it better before publishing.

What About Math?

We will review for the end of year test, and then start teaching 2nd grade math concepts to our students.

...and Science?

We will learn about the weather.

Important Dates!

May 8-9: Math End of Year test.

April 29 to May 22: IRL testing window, also writing simples and HFW quick identification (words from 1st and 2nd semester).

May 27: Memorial Day, no school.

High Frequency Words to Review with your Child:

again	book	four	just	our	soon	very	who
all	boy	from	know	over	thank	walk	work
an	brown	girl	man	please	their	was	your
any	by	give	must	pretty	them	way	
as	call	going	new	put	there	well	
ask	came	had	of	ran	three	went	
ate	color	has	old	saw	tree	were	
bed	could	her	once	say	two	when	
been	eat	him	only	so	under	which	
black	every	into	open	some	use	white	

Please review the red folder daily, sign and return to school.

Please make sure your child is reading every evening and that they also review all their HFWs. Please make sure they bring back the books daily! Thank you. ☺

¡Labradores Puras Estrellas!

Boletín de Primer Grado

Ejemplar de mayo de 2019

¿Qué sucede en Lectura?

Durante el mes de mayo continuaremos con nuestros “clubes de personajes”, donde los alumnos identificarán los personajes principales y secundarios y lo que hacen, las relaciones entre ellos, qué nos dicen en base a sus palabras y lo que hacen. Posteriormente iniciaremos la unidad “Los Lectores Tienen Autores Favoritos”.

¿Qué pasa en Escritura?

Vamos a repasar la escritura de Momentos Pequeños, siguiendo todo el ciclo de escritura, desde llenar el organizador gráfico, crear el borrador, luego revisar y editar para hacer nuestra historia mejor antes de publicarla.

¿Y en Matemáticas?

Repasaremos para el examen de fin de año, y luego empezaremos a enseñar conceptos de 2^{do} grado a nuestros estudiantes.

...¿Y en Ciencias?

Aprenderemos sobre el clima.

¡Fecha Importante!

8 y 9 de mayo: Examen de matemáticas de fin de año.
29 de abril al 22 de mayo: Ventana de pruebas de lectura, escritura y palabras de uso frecuente (las palabras del 1er y 2do semestre).
27 de mayo: Memorial Day, no hay clases school..

Palabras de Uso Frecuente para Estudiar con su Niño

again	book	four	just	our	soon	very	who
all	boy	from	know	over	thank	walk	work
an	brown	girl	man	please	their	was	your
any	by	give	must	pretty	them	way	
as	call	going	new	put	there	well	
ask	came	had	of	ran	three	went	
ate	color	has	old	saw	tree	were	
bed	could	her	once	say	two	when	
been	eat	him	only	so	under	which	
black	every	into	open	some	use	white	

Sírvase revisar la carpeta roja a diario, firmar y regresar a la escuela. Por favor asegúrese de que su niño esté leyendo todas las tardes y estudiando todas las palabras de uso frecuente. También asegúrese de que traigan sus libros a diario. ¡Gracias! 😊
